## A HELPING HAND

Is Gladly Extended by a Barre Citizen.

There are many enthusiastic citizens in Barre prepared to tell their experience for the public good. Testimony from such a source is the best of evidence, and will prove a "helping hand" to scores of readers. Read the following statement:  
Mrs. T. D. Strout of 127 Seminary street, Barre, Vt., says: "My kidneys were affected for about five years, causing me a great deal of pain in the small of my back. I would have such sharp twinges shoot through me when I attempted to stoop or lift anything that I had to rest until the attack passed off. I was so nervous I could not sleep nights, but tossed and turned continually. I was so impressed by what I read about Doan's Kidney Pills curing others that I got a box at E. A. Drown's drug store. After using it there was a noticeable change for the better in my condition and I kept on taking the remedy until the pain in my back disappeared. I could do my housework with ease and could sleep well nights. For backache and kidney trouble Doan's Kidney Pills are a most reliable medicine."  
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
